## MEMBERSHIP LEVELS

### Payment Options

- Pay as you go: Monthly Payment Plan.
- Save 15% off fees: Annual Payment Plan.

### Incidental Fees

Your monthly care fee covers the primary and preventive care services described on the services page. However, at times your care may require durable medical or psychological supplies or third-party services that are not included in your monthly care fee (i.e., specialists or hospital services). You may be asked to pay additional fees for items such as expert testimony, advanced neuropsychological tests and outside services such as sleep or stress studies.

Your insurance may cover all or a portion of the incidental fees. Dr. J can help you to understand your benefits and to obtain reimbursement from your insurance carrier.

### Membership Contract

There is no long-term contract at METTA Healing Oasis for the Essential memberships level. You may cancel your membership at anytime with one month's notice.

\* Additional assessments are available and may be billed to you or your insurance for an additional charge.

\*\*Selected consultations including career and educational are included in the membership if applies.

‡ An additional fee may apply i.e., Deductible and Co-Payments.
